Hi Ramona,

I found similar glitches in the minutes. However, for Sept. 24, it would be Item #5 where public comment names are missing (I believe Item 4 was withdrawn).

We will need to insert any missing public comment names for the record (Sept. 10, #4 and #5; Sept. 24, #5).

If possible, it would be helpful if you could distribute corrected minutes before Thursday so we don't have to take time discussing these corrections.

Thanks,

Ken

Ramona,

Please check your vote tally for the August 13th meeting on page 8..you have some of us voting Yay & nay for the same item

Also check the spelling of the Fire Chief. I believe its Rob Lewin, not Lewellyn

The Sept. 10th & 24th meetings items #4, &5 on the 10th, and #4 of the 24th do not list the names of the public who spoke and i'm sure there was several who spoke.

Jim
